A toast to Brent.

Reception to Follow All.

**Brent's life philosophy:
Always treat people equal,
no matter who they are.
Greet everyone and
everything with a smile no
matter what you are
thinking. And always laugh.**

To laugh often and much;
to win the respect of the
intelligent people and the
affection of children;
to earn the appreciation of
honest critics and endure the
betrayal of false friends;
to appreciate beauty;
to find the best in others;
to leave the world a bit better whether by
a healthy child, a garden patch, or a
redeemed social condition;
to know that one life has breathed easier
because you lived here.
This is to have succeeded.

Brent was a loving husband, tremendous father, and a pillar of the community. A Scout leader, he was involved in many aspects of community and family life. He was an avid hunter, fisherman and outdoors person. He was an incredibly respected businessman and became well known for his ability to work for and with clients and co-workers. As an owner of Mueller Electric, he was known as the "Big Guy", the Rock on which many people depended. He will be sadly missed.
